COMMITMENT | QUALITY | EXCELLENCE

...bringing technical excellence in genuine style

ABOUT US

Swarup Polymers Pvt Ltd is incorporated in India in 1988, SPPL is involved in exporting, distributing and marketing of automotive parts and accessories since then.

We at SPPL manufacture plastic auto motive replacement body parts, such as bumpers, grills, tie members (cover carrier assy), fender linings, and car foot mats, etc. These superior quality parts are marketed in India under the brand name SWARUP.

SPPL's entire operations are certified under ISO 9001:2015 TUV Certified. Through its integrated Hi-tech manufacturing capabilities. Swarup produces quality products for domestic market and as well as export to 20 market world-wide.

QUALITY POLICY

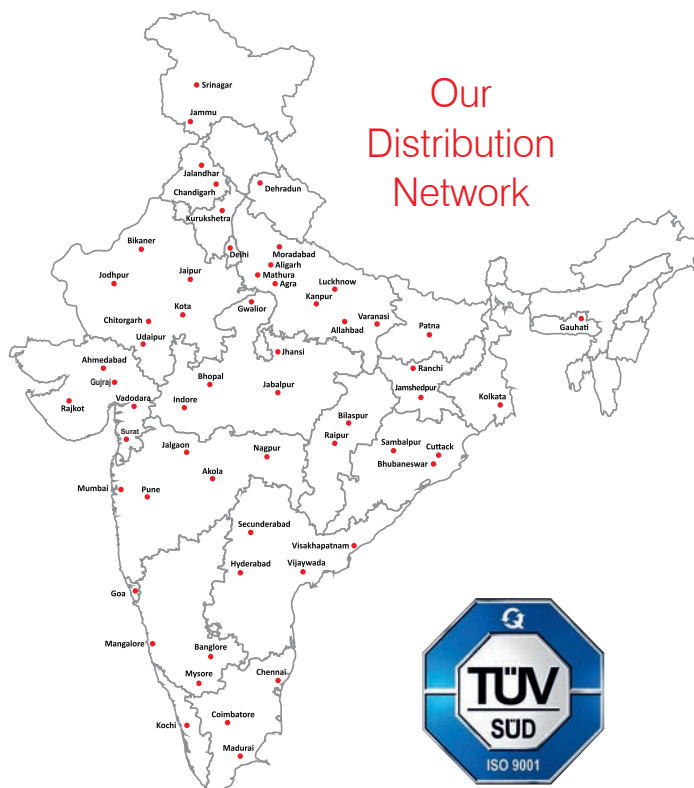

We are committed to supply quality automotive parts that fulfil customer satisfaction consistently thought continual improvement with the use of process approach and risk based thinking to achieve quality management system results in line with the organisation strategic direction.

CORE STRENGTHS

- Excellence • Safe packing • Customer focus
- On time delivery • Cost effective • Respect
- On time delivery

Our

Network

QUALITY GUARANTEE

Ours is an ISO 9001:2015 company. We engineer high quality into our products by using high quality inputs in terms of man, materials and machines.

Highly trained quality conscious manpower transforms raw material conforming to the international standards into durable end products through the most sophisticated, continuously upgraded moulds and equipments.

We have a neat and clean shop floor backed by adequate testing facilities and quality sampling. An eagle eye is kept on the high quality of our products to achieve excellence i.e. Zero defects.

PRODUCT PROFILE

We are a leading name in manufacturing a diverse range of components. Our vast range includes bumper. Radiator Support, Bumpers Grills & Fender Linings. The products are at par with durability, reliability, highly rate functionality, accuracy, flawless design and other user-friendly features. They are manufactured using premium quality raw materials, which are sourced from most trusted suppliers. Ours products are available through our dealer network spread all over India.

FUTURE PLAN

We want to expand our market share in injection moulded automotive components industry in India and abroad. By keeping a continuous watch on product development, innovation through research & development and state of the art technology.

With the wealth of knowledge, progressive manufacturing, customer relationship management supported by strong sales network. SWARUP is

*A powerful partnership
redefining strength and flexibility*

THE GREAT KHALI JOINS HANDS WITH SWARUP POLYMERS

In a strategic move that sent waves through the automotive industry, Swarup Polymers, in 2023 partnered with the legendary Indian wrestler, Khali, to elevate its brand to new heights. This collaboration not only breathed fresh life into the company but also redefined its identity, focusing on strength and flexibility in their product line.

Swarup Polymers, with a legacy spanning decades, decided to reinvent its imagery in a rapidly evolving market. Recognizing the need for a game-changing approach, the company decided to enlist the services of Khali, a symbol of power, resilience, and unparalleled strength.

The association with Khali brought a unique blend of credibility and mass appeal to Swarup Polymers. His larger-than-life persona and global recognition as a wrestling champion resonated well with the brand's aspiration to produce bumpers that were not just protective but also robust and flexible.

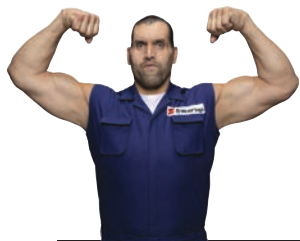

Under the tagline “Mazbooti ka asli champion”, Swarup Polymers revamped its product line to emphasize durability, impact resistance, and adaptability. The company invested in cutting-edge technology and materials to ensure that their bumpers could withstand the toughest conditions on the road while providing flexibility to absorb shocks.

Swarup Polymers intends to witness a surge in demand for its new and improved bumpers. Automotive manufacturers, repair shops, and consumers alike have begun to recognize the brand for its commitment to quality and innovation.

The strategic move also garnering attention from industry experts and accolades have started pouring in. Swarup Polymers seeks for innovation, design, and product excellence, establishing itself as a trailblazer in the competitive automotive market. The collaboration with Khali has not only attracted attention but also conveyed the message that Swarup Polymers is ready to wrestle with challenges and emerge victorious in all leading markets.

The partnership between Khali and Swarup Polymers is a masterstroke that revitalizes the company's image, propelling it into a new era of success. By aligning itself with the strength and flexibility embodied by Khali, Swarup Polymers not only meets the demands of a dynamic market but also emerged as a beacon of innovation and resilience in the automotive industry.
